

IPC Recommended Webinar List

This is not a comprehensive list, rather it is a smattering of interesting webinars that IPC members have taken in or presented at over the past months. These webinars relate to our work and themes important to the IPC and NFU. They feature speakers from around the world and here in Canada.

What Does the Earth Ask of Us? Talk by Robin Wall Kimmerer, author of *Braiding Sweetgrass*

NOTE: Link expires on Nov. 30.
